

TERMS OF USE FOR E-LABELING

The eLabeling application displays product information during clinical studies. The service is provided by Sanofi-Aventis R&D at no cost and is intended for use as is.

1. TERMS OF USE

By downloading, browsing, accessing or using this mobile application (“**Mobile Application**”), you agree to be bound by these Terms and Conditions of Use. We reserve the right to amend these terms and conditions at any time. If you disagree with any of these Terms and Conditions of Use, you must immediately discontinue your access to the Mobile Application and your use of the services offered on the Mobile Application. Continued use of the Mobile Application will constitute acceptance of these Terms and Conditions of Use, as may be amended from time to time.

2. PRIVACY POLICY

Access to the Mobile Application and use of the Services offered on the Mobile Application by Sanofi-Aventis R&D is subject to this Privacy Policy. By accessing the Mobile Application and by continuing to use the Services offered, you are deemed to have accepted this Privacy Policy, and in particular, you are deemed to have consented to our use and disclosure of your personal information in the manner prescribed in this Privacy Policy.

Private data concerned by the processing are linked to tracking and profile information, more precisely geolocation, time zone setting and IP address. These data are collected automatically but not used to directly identify, trace, discern and determine your true identity.

We retain your information for the duration of the study. There is no data kept on the device and the activity logs are kept secure on our servers.

3. PERMISSION TO ACCESS CAMERA

The scan function native to your device is used by eLabeling application for Investigational Medicinal Products identification. This authorization is mandatory.

No other item of your media library could be accessed through the eLabeling app.
